## PRESS RELEASE

### **Barito Pacific Secures Rp 700 billion Revolving Credit Facility from Bank BTN**

**Jakarta, 27 December 2024** – PT Barito Pacific Tbk (IDX: BRPT) is pleased to announce the successful securing of a Rp 700 billion corporate loan from PT Bank Tabungan Negara (Persero) Tbk (Bank BTN). This strategic financial facility underscores Barito Pacific's proven financial track record and will provide financial flexibility for the company's operational activities.

"We are grateful for the support that Bank BTN has placed in Barito Pacific. This partnership not only reinforces our credibility but also strengthened our financial capability and funding aspect in conducting our business in the future," said David Kosasih, Barito Pacific Director of Finance.

Under the Loan Agreement, the Rp 700 billion revolving working capital credit facility is structured into two tranches, each valued at Rp350,000,000,000 (three hundred fifty billion Rupiah).
